

## Curriculum Coordinator – Four Year Plan Form

NAME PRINTED \_\_\_\_\_ VACANCY NO. \_\_\_\_\_

Please provide a vision statement of how you as a Curriculum Coordinator would seek to improve student achievement over a four-year period. The priorities that you identify in the area of curriculum reform and professional development and your capacity to provide the leadership to achieve these priorities will be reviewed by the interview team as one aspect of staff commitment to your leadership role and knowledge of the school and district priorities. The priorities you identify will later serve as measure of your progress and success as a curriculum coordinator. Please return **this form** with your application. Response is limited to two sides of this form. Thank you.
